

# Porn Star

## August Alsina

Let me put your mind to rest  
I'm nothing like that other guy  
Ima put yo ass to bed, just call me a lullaby  
Believe it, believe it  
Girl I'll be your quarterback, receive it  
Go deep, baby work them lips no time to speak  
When I lay back, shawty don't know how to act  
She ready when the lights go off she climb on top  
Her body rocking we don't stop  
No handle bars or falling off, cause causeShe ride me like a porn star  
She ride me like a porn star  
She ride me like a pro she did this shit before  
I hold her tight no letting go till she say she can't take no more  
I'm speechless  
All I say is ooh  
She ride, she ride  
She ride, she ride, she ride  
All I say is ooh  
She ride me like a porn star  
She ride me like a porn star  
She ride me like a porn star  
She ride me like a porn starShe ride it like she never gonna ride this dick again  
She thinking like a G and she ain't never giving in  
She ride it in the back of my car, on the bar,  
On the stash, on the bed she ain't scared  
'Cause when I lay back, shawty don't know how to act  
She ready when the lights go off she climb on top  
Her body rocking we don't stop  
No handle bars or falling off, cause causeShe ride me like a porn star  
She ride me like a porn star  
She ride me like a pro she did this shit before  
I hold her tight no letting go till she say she can't take no more  
I'm speechless  
All I say is ooh  
She ride, she ride  
She ride, she ride, she ride  
All I say is ooh  
She ride me like a porn star  
She ride me like a porn star

She ride me like a porn star  
She ride me like a porn starGo girl keep riding  
Go girl keep riding  
Go girl keep riding  
Go girl keep riding  
Go girl keep riding  
Go girl keep riding  
Go girl keep riding  
Keep riding girl, keep ridingShe ride me like a porn star  
She ride me like a porn star  
She ride me like a pro she did this shit before  
I hold her tight no letting go till she say she can't take no more  
I'm speechless  
All I say is ooh  
She ride, she ride  
She ride, she ride, she ride  
All I say is ooh  
She ride me like a porn star  
She ride me like a porn star  
She ride me like a porn star  
She ride me like a porn star
