I'll Keep Trusting You

Mckamey's

I'll Keep Trusting You

I've been waiting, what seems like for--ever,
for an answer, I know it's on it's way
I'll keep holding on, in all my con-fusion
I don't under -stand, but Lord I'm not a- fraid

[Chorus]
I'll keep trust-ing you when your whispers I can't hear
Follow your plans for me, even when they're not clear
When I smile through tears, you know that I've been blessed
You're my com-fort Lord, I'll keep trust-ing you

[2]
When my plans have failed, and every-thing goes wrong
All my heart de-sires, my hopes my dreams are gone
Satan's tell-ing me, I can't make it through
Lord I feel so bad but I'll keep trust-ing you
[Chorus]
I'll keep trust-ing you when your whispers I can't hear
Follow your plans for me, even when they're not clear
When smile through tears, you know that I've been blessed
You're my com-fort Lord, I'll keep trust-ing you

[ending]
When I smile through tears, you know that I've been blessed
You're my com-fort Lord, I'll keep trusting you, trusting you
