Oh Comely

Neutral Milk Hotel

Oh, Comely, I will be with you when you lose your breath Chasing the only meaningful memory you thought you had left With some pretty bright and bubbly terrible scene

That was doing her thing on your chestBut oh, Comely, it isn't as pretty as you'd like to guess

In your memory you're drunk on your automy

It doesn't mean anything at allOh, Comely, all of your friends are all letting you blow Bristling and ugly, bursting with fruits falling out from the holes

Of some pretty bright and bubbly friend

You could need to say comforting things in your earBut oh, Comely, there isn't such one friend that you could find here

Standing next to me, he's only my enemy

I'll crush him with everything I ownSay what you want to say and hang for your hollow ways

Moving your mouth to pull out all your miracles aimed for meYour father made fetuses with flesh licking ladies

While you and your mother were asleep in the trailer park

Thunderous sparks from the dark of the stadiums

The music and medicine you needed for comfortingSo make all your fat fleshy fingers to moving

And pluck all your silly strings and bend all your notes for me

Soft silly music is meaningful, magical

The movements were beautiful all in your ovariesAll of them milking with green fleshy flowers
While powerful pistons were sugary sweet machines

Smelling of semen all under the garden

Was all you were needing when you still believed in meSay what you want to say and hang for your hollow ways

Moving your mouth to pull out all your miracles aimed for meAnd I know they buried her body with others

Her sister and mother and five hundred families

And will she remember me fifty years later

I wished I could save her in some sort of time machineKnow all your enemies, we know who our enemies are Know all your enemies, we know who our enemies areGoldaline, my dear, we will fold and freeze together

Far away from here, there is sun and spring and green forever

But now we move to feel for ourselves inside some stranger's stomach Place your body here, let your skin begin to blend itself with mine
