Lost Inside Of You

Jon Secada

I'm living lost inside of you
And that's exactly where I want to be
Girl, I finally realized
You give meaning to my life
And it's the way you've always loved me
And when I look into your eyes
I see the man I really want to be
Living lost inside a dream
A dream that just came true
I'm living lost inside of you
If you could only read my mind
You'd see the vision of my heart and soul
No, no, no, no, I just got to let you know
That no matter where I go
You will always be inside of me
'Cause you're the reason I believe

You and I were always meant to be
For what no one else can see
Is a dream that just came true
I'm living lost inside of you
Tell me how can it be?
No matter where you are, girl
I always feel you here with me
Well, it's something that I just can't explain
But my life will never be the same
'Cause when I look into your eyes
I see the man I really want to be
Living lost inside a dream
A dream that just came true
I'm living lost inside of you
