Through Your Eyes

Lunik

Standing in front of my mirror
And everything seems to be wrong
All I see is a pale, ugly woman
Too tired to do anything against it

You turn up and lead me back on my way
Because I went astray
You just treat me like a princess
And I start to feel like it

If I could see me through your eyes
If I could touch me with your hands

If I could smell me with your nose
What would I be like?

On these days when everything seems to be wrong
I'd like to know what you think when you look at me
What do you see?
'Cause when I look at you, you seem to be perfect,
I don't deserve you it?s so hard to believe
That you are really in love with me
