

# Fields Of Gold (feat.Eva CASSIDY)

Michael Bolton

You'll remember me when the west wind moves  
Among the fields of barley  
You can tell the sun in his jealous sky  
When we walked in fields of gold So she took her love for to gaze awhile  
Among the fields of barley  
In his arms she fell as her hair came down  
Among the fields of gold Will you stay with me? Will you be my love?  
Among the fields of barley  
And you can tell the sun in his jealous sky  
When we walked in fields of gold I never made promises lightly  
And there have been some that I've broken  
But I swear in the days still left  
We will walk in fields of gold  
We'll walk in fields of gold I never made promises lightly  
And there have been some that I've broken  
But I swear in the days still left  
We will walk in fields of gold  
We'll walk in fields of gold Many years have passed  
Since those summer days  
Among the fields of barley  
See the children run as the sun goes down  
As you lie in fields of gold You'll remember me when the west wind moves  
Among the fields of barley  
You can tell the sun in his jealous sky  
When we walked in fields of gold  
When we walked in fields of gold  
When we walked in fields of gold
