When There's a Fire In Your Heart

Tammy Wynette

When there's a fire in your heart
Break the glass sound the alarm
Call on me I'll be there
Instant service, speedy, fast
I was your first I'll be your last
No matter who you have in between.

When there's a fire in your heart
Break the glass sound the alarm
When she's not all she seems
Instant service, speedy, fast
I was your first I'll be your last
No matter who you have in between.

There's been hearts spells
In close spells ever since we met
I've seen your small fires, your big fires
But I won't give up yet.

Oh, someday you'll yearn cause your heart's gonna burn
For that old familiar glow
You'll be burned out on, smoke out
And come back to me I know.

Every thrill that you blaze
Makes me stay up closer behind
While you've been datin' I've been waitin'
Just hurtin' all the time.

Your new flames was older and all will grow colder
For mine was higher and higher
So I'm hanging on your sea
'Cause you'll come running back to me
'Cause I'm fightin' fire with with fire.

When there's a fire in your heart
Break the glass sound the alarm
Call on me I'll be there
Instant service, speedy, fast
I was your first I'll be your last

No matter who you have in between.

When there's a fire in your heart
Break the glass sound the alarm
When she's not all she seems
Instant service, speedy, fast
I was your first I'll be your last
No matter who you have in between
