

Everybody Loves A Pimp

Slim Thug

Everybody loves a pimp
Sha tabberknacker preach
Everybody loves a pimp
Sha tabberknacker preach
(Everybody loves a pimp)
The way I talk, the way I dress
I keep so clean and I'm so fresh
(Everybody loves a pimp)
The ice I wear, the car I drive
The ho's I got [Incomprehensible]
(Everybody loves a pimp)
When ya pimp, bitch, ya pimpin'
(Everybody loves a pimp)
When ya pimp, bitch, ya pimpin'
(Everybody loves a pimp)
You know tha boss got bitches gallore
And you may have a lot of bitches but he got much more
From D-K-N-Y to the Malibu shores
I got a chick in every city I can go on tour
And you need a pimp in yo life that is gonna guide you right
Won't hand cuff you when you tryin' to creep at night
I don't lose sleep at night anymore
But now I don't care I be hibernating call me yogi the bear
I'm a pimp, baby, that's why I hold my nuts and walk
With a limp, baby, I know you're tired of dealing wit'
All this sense, baby, so go on and hop
On my team and drop your whimp, baby
Everybody loves a pimp
Sha tabberknacker preach
Everybody loves a pimp
Sha tabberknacker preach
(Everybody loves a pimp)
The way I talk, the way I dress
I keep so clean and I'm so fresh
(Everybody loves a pimp)
The ice I wear, the car I drive
The ho's I got [Incomprehensible]
(Everybody loves a pimp)
When ya pimp, bitch, ya pimpin'

(Everybody loves a pimp)
When ya pimp, bitch, ya pimpin'
(Everybody loves a pimp)
Slim ain't wit' gettin' drama from chicks
So when my boo turn bitch that's my cue to switch
You won't catch me throwin' lics 'cause my feeling's involved
I just erase 'em out the black book, problem solved
Best you learn how to keep your mouth closed
I got zero toleration for ho's

Move to the next one, there's plenty of fish in the sea
Plus there's plenty other chicks that dig me
I'm a pimp, baby, that's why I hold my nuts and walk
With a limp, baby, I know you're tired of dealing wit'
All this sense, baby, so go on and hop
On my team and drop your whim, baby
Everybody loves a pimp
Sha tabberknacker preach
Everybody loves a pimp
Sha tabberknacker preach
(Everybody loves a pimp)
The way I talk, the way I dress
I keep so clean and I'm so fresh
(Everybody loves a pimp)
The ice I wear, the car I drive
The ho's I got [Incomprehensible]
(Everybody loves a pimp)
When ya pimp, bitch, ya pimpin'
(Everybody loves a pimp)

I know you surrounded by a lot of suckas
My advice is keep it pimpin'
All you see me with is g's and hustlas
Still a pimp gon' keep on runnin' it
(Bitch where's my money)
I see the game do it cardeday

The ho's I got [Incomprehensible]
(Everybody loves a pimp)
When ya pimp, bitch, ya pimpin'
(Everybody loves a pimp)
When ya pimp, bitch, ya pimpin'
(Everybody loves a pimp)
