Born To Make You Happy

Born To Make You Happy

I'm sitting here alone up in my room
And thinking about the times that we've been through, oh my love
I'm looking at a picture in my hand
Trying my best to understand
I really wanna know what we did wrong
With a love that felt so strong
If only you were here tonight
I know that we could make it right
I don't know how to live without your love
I was born to make you happy
'Cause you're the only one within my heart
I was born to make you happy
Always and forever you and me
That's the way our life should be
I don't know how to live without your love
I was born to make you happy
I know I've been a fool since you've been gone
I'd better give it up and carry on, oh my love
'Cause living in a dream of you and me
Is not the way my life should be
I don't wanna cry a tear for you
So forgive me if I do
If only you were here tonight
I know that we could make it right
I don't know how to live without your love
I was born to make you happy
'Cause you're the only one within my heart
I was born to make you happy
Always and forever you and me
That's the way our life should be
I don't know how to live without your love
I was born to make you happy
I'd do anything, I'd give you my world
I'd wait forever, to be your girl
Just call out my name and I will be there
Just to show you, how much I care
Oh yeah, yeah, yeah
I was born to make you happy
Yeah, yeah, yeah, uh

Oh yeah, yeah, yeah
I don't know how to live without your love
I was born to make you happy
'Cause you're the only one within my heart
I was born to make you happy
Always and forever you and me
That's the way our life should be
I don't know how to live without your love
I was born to make you happy
Oh no
I was born to make you happy
Oh yeah, oh, oh
Always and forever you and me
That's the way our life should be
I don't know how to live without your love
I was born to make you happy
