

Mercury Smile

Treble Charger

It's been all the same
The wasted words
The way I'm feeling strange
Colors gone the way
Of empty rooms
And leaning over days Letterbox in TV frame
I let you in
You'd do the same
Credit photograph
And maybe I can
Laugh if off again I love your mercury smile
It keeps me outta line
I try to simplify
The complicated kind
I got an alibi
If you're so inclined Everything is beautiful
I don't know why
It had to be this way I recall the blame
The failing terms
The light revealing stain
A fabric starts to Frey
With every line
Of thought begins decay Letterbox in TV frame
No reaction to a claim
Credit photograph
It made me laugh
So I can start again Falling in disgrace
Listen to the laughter
What a terrible waste
I can hardly wait
