

# Misty

## The Gene Harris Quartet

Look at me  
I'm as helpless as a kitten up a tree  
And I feel like I'm clinging to a cloud  
I can't understand  
I get misty just holding your hand  
Walk my way  
And a thousand violins begin to play  
Or it might be the sound of your hello  
That the music I hear  
I get misty the moment you're near  
You can say that you're leading me on  
But it's just what I want you to do  
Don't you notice how hopelessly I'm lost?  
That's why I'm following you  
On my own  
Would I wander through this wonderland alone?  
Never knowing my right foot from my left  
My hat from my glove  
I'm too misty and too much in love  
You can say that you're leading me on  
But it's just what I want you to do  
Don't you notice how hopelessly I'm lost?  
That's why I'm following you  
On my own  
Would I wander through this wonderland alone?  
Never knowing my right foot from my left  
My hat from my glove  
I'm too misty and too much in love  
I'm too misty and too much in love
