Round and Round

Perry Como

Find a wheel, and it goes round, round, round
As it skims along with a happy sound
As it goes, along the ground, ground, ground
'Till it leads you to the one you loveThen your love, will hold you round, round, round
And your heart's a song with a brand new sound
And your head, goes spinnin' round, round, round
'Cause you've found what you've been dreamin' ofIn the night you see the oval moon
Goin' round and round in tune
And the ball of sun in the day
Makes a girl and boy wanna sayFind a ring, and put it round, round, round
(Find a ring, and put it round, round, round)
And with ties so strong the two hearts are bound
(And with ties so strong the two hearts are bound)
Put it on, the one you found, found, found
(Put it on, the one you found, found, found)
For you know that this is really love
(For you know that this is really love)Find a wheel, and it goes round, round, round
(Find a wheel,find a wheel and it goes round, round, round)
As it skims along with a happy sound
(As it skims along with a happy sound)
As it goes, along the ground, ground, ground
(As it goes,as it goes along the ground, ground, ground)
'Till it leads you to the one you love
('Till it leads you to the one you love)Then your love, you'll hold her round, round, round
(Then your love, then your love you'll hold her round, round, round)
And your heart's a song with a brand new sound
(And your heart's a song with a brand new sound)
And your head, goes spinning round, round, round
(And your head, and your head goes spinning round, round, round)
Goes spinning round, round, round
(Goes spinning round, round, round)In the night you see the oval moon
Goin' round and round in tune
(Goin' round and round in tune)
And the ball of sun in the day
Makes a girl and boy wanna say
(Wanna say, wanna say)Find the ring, and put it round, round, round
(Find the ring, and put it round, round, round)
And with ties so strong your two hearts are bound
(And with ties so strong your two hearts are bound)

Put it on, the one you found, found, found
For you know that this is really loveFind a ring, put it on
For you know that this is really love
Really love, really love, hmm
