Grave Markings

Emmure

This is my legacy
This is my life I know exactly how I want it to be
Don't you dare ever tread on me
I live and learn and try my best to not repeat my mistakesThere's no stones, for my sins
Which I built a castle withBut I wonder, will I be remembered
For the good I've done?
Or will my name be stained foreverI stand as living proof that if you always believe
And never give up your dreams, that anything is possible
Don't be afraid to face the worldDon't you try to flee
You can't just run away
Never listen to
Those who don't believe in youBut I wonder, will I be remembered
For the good I've done?
Or will my name be stained forever
I wonder, will I be remembered?
Or will my name be stained foreverPromise me you'll fight
Until there's nothing left
Promise to me that you'll never give up
Promise to me that you'll never surrenderBut I wonder, will I be remembered
For the good I've done?
Or will my name be stained forever
I wonder, will I be remembered?
Or will my name be stained forever
