

Don't Let It Go To Waste

Matt Willis

Drawing circles on the window
Then I'm staring at the floor
There are places that we could go
Cause we've been here before And I'm losing myself, and I'm feeling a little
Confused, I need help, I'm outta here so Get out the car honey,
cause what you said was out of place
Well I guess I'm walking home
With that sad look upon my face
Straight from the heart, no worries
I got a lot of love to make,
can you feel it a little?
Don't let it go to waste
Ahh ahh ahh ahh, ahh ahh
Don't let it go to waste
Ahh ahh ahh ahh, ahh ahh Like a long distance conversation
With a two second delay
So good luck but we don't listen
And we've got so much to say And I'm losing myself, and I'm feeling a little
Confused, I need help, I'm outta here so Get out the car honey,
cause what you said was out of place
Well I guess I'm walking home
With that sad look upon my face
Straight from the heart, no worries
I got a lot of love to make,
can you feel it a little?
Don't let it go to waste
Ahh ahh ahh ahh, ahh ahh
Don't let us go to waste
Ahh ahh ahh ahh, ahh ahh And I don't want to lose you
Even though we've got issues
Yeah, and I know we can get through
I've fought it all, cause I've turned the block and survived
Yeah Get out the car honey,
cause what you said was out of place
Well I guess I'm walking home
With that sad look upon my face
Straight from the heart, no worries
I got a lot of love to make,
can you feel it a little? Don't let it go to waste

Ahh ahh ahh ahh, ahh ahh
Don't let it go to waste
Ahh ahh ahh ahh, ahh ahh
Don't let it go to waste
Ahh ahh ahh ahh, ahh ahh
Don't let it go to waste
Ahh ahh ahh ahh, ahh ahh
Don't let it go to waste
Ahh ahh ahh ahh, ahh ahh
Don't let it go to waste
Cause I feel it a little
Don't let us go to waste
