

# Hold On

## Wilson Phillips

Verse 1 I know there is pain (I know there is pain, I know there is pain (echo))

Why do lock yourself up in these chains? (these chains, these chains (echo))

No one can change your life except for you

Don't ever let anyone step all over you

Just open your heart and your mind, mmm

Is it really fair to feel this way inside? Chorus Ooh some day somebody's gonna make you want to

Turn around and say goodbye

Until then baby are you gonna let them

Hold you down and make you cry

Don't you know?

Don't you know things can change

Things'll go your way

If you hold on for one more day

Can you hold on for one more day

Things'll go your way

Hold on for one more day (one more day) Verse 2 You could sustain (you could sustain , you could sustain (echo))

Mmm or are you comfortable with the pain?

You've got no one to blame for your unhappiness (no baby)

You got yourself into your own mess (ooooooo)

Lettin' your worries pass you by (lettin' your worries pass you by)

Baby don't you think it's worth your time

To change your mind? Chorus Noo noo, some day somebody's gonna make you want to

Turn around and say goodbye

Until then baby are you going to let them

Hold you down and make you cry

Don't you know?

Don't you know things can change

Things'll go your way

If you hold on for one more day

Can you hold on for one more day

Things'll go your way (oh things'll go your way)

Hold on for one more day Breakdown I know that there is pain

But you hold on for one more day

And you break free from the chains

Yeah I know that there is pain

But you hold for one more day

And you break free right from the chains Chorus (acapella) Some day somebody's gonna make you want to  
Turn around and say goodbye (and say goodbye)

Until then baby are you going to let them  
Hold you down and make you cry  
Don't you know?  
Don't you know (no) things can change (no)  
Things'll go your way  
If you hold on for one more day, yeah  
Can you hold on Don't you know things can change  
Things'll go your way  
If you hold on for one more day  
Can you hold on  
Can you hold on  
Mmm... Can you hold on baby  
Won't you tell me now  
Hold on for one more day  
Cause it's gonna go away Don't you know things can change  
Things'll go your way  
If you hold on for one more day yeah  
Can't you change it this time  
Make up your mind  
Hold on Hold on  
Hold on Hold on, baby hold on  
Turn around, Just turn around baby  
Hold on for one more day, Cause  
It's gonna go your way...
