

# Let Her Dance (Feat. Maya Azucena & Illestr8)

## Stephen Marley

(Stephen) V1

She caught my eyes, from across the room

So tantalized by the way that she moves

Yo mister DJ give her a chance

Don't stop the music, please let her dance

Wink and a smile now she's dancing for me

All this attention yo what could this be?

Yo tell the DJ, play that again

Play that same music so she can Dance dance, dance dance, dance dance, dance dance

Dance dance, dance dance, dance dance, cho! (Stephen) V2

Now she was grooving on the dance floor

Way that she moved I was wanting some more

Yo mister DJ give her a chance

Don't stop that music, please let her dance

Wink and a smile, she was dancing for me

All this attention yo what could this be

Yo tell the DJ play that again

Play that same mu-sic so she can Dance dance, dance dance, dance dance, dance dance

Dance dance, dance dance, dance dance, dance dance (Illestr8) V3

Oh yeah, I'm chill as a villain

You nillas' is grillin

Cause they wanna dance

But they couldn't get her attention

Listen, she's sick with the rhythm Twists her hips into different positions

And ain't spilled the drink that she's sipping

Got a cute face, slim waist, and pretty bow legs

M'a I'll give it to you the day you gimme the go ahead

Oh yeah, it's the kings in the building

Ghetto Youths representing for the women and children (Maya Azucena) V4

See I caught his eyes, from across the room

He's tantalized by the way that I move

Yo mister DJ give us a chance

Don't stop the music please let us dance

Ooh, I could tell, he was smiling at me

All this attention now what could this be

Hey mister DJ play that again

Play that same music so we can... Dance dance, dance dance, dance dance, dance dance

Dance dance, dance dance, dance dance, dance dance (Stephen) V5

She caught my eyes, from across the room

So tantalized by the way that she moves  
Yo mister DJ give her a chance  
Don't stop that music, please let her dance  
Wink and a smile now she's dancing for me  
All this attention yo what could this be?  
Yo tell the DJ, play that again  
Play that same music so she can Dance dance, dance dance, dance dance, dance dance  
Dance dance, dance dance, dance dance, dance dance
