Wyclef Jean

Ya I know those ain't flashing lights
Dam police lights man they pullin' the tour bus over once again
Alright this is gonna be a search
Everybody put your hands where I can see 'em Smells funny in here, what you're lookin' at boy
Sir my name's not boy it's Wyclef Jean
Oh sir that's that Wyclef Jean guy
He is one of that versatile rapper musician like Smuck North So we got ourselves a celebrity here
Yeah, long haired city boy like you
You gotta know some rock
Yes sir I play a little bit of rock Hm, you boys carry a lot of equipment in this bus
Ashamed I have to rip it all out for nothin'
Play me some Pink Floyd son
Maybe I'll let you off
