Too Many Times

Mental As Anything

Too many times, too many times
Too many times, too many timesToo many times I've seen the sun come up through bloodshot eyes this week
No matter what I do since we broke up I find it hard to sleepThe room is spinning from too many drinks I've drunken by myself
I know that staying here and drinking beer is no good for my healthWhat is there left to do
But to drink and watch the view
I think that it might rain this afternoon
Too many times, too many times
Too many times, too many timesThe doctor that I went to couldn't do any good
He gave me pills for sleeping,
I took more than I should, than I should.Too many times I've seen the sun come up through bloodshot eyes this week
No matter what I do since we broke up I find it hard to sleepWhat is there left to do
But to drink and watch the view
I think that it might rain this afternoon
Too many times, too many times
Too many times, too many times
Too many times, too many times
Too many times, too many times
Too many times, too many times
Too many times, too many times [fade]
