

Little Girl (you're My Miss America)

Beach Boys

(Sha da da da da ooh yeah yeah) (my Miss America)
(Sha da da da da ooh hey hey) (my Miss America)
(Sha da da da da ooh yeah yeah) (my Miss America)
(Sha da da da da ooh hey hey) (my Miss America)
Little girl just in your teens (you're my Miss America)
Little girl you're in my dreams (you're my Miss America)
You're so sweet, you're so fine
Dear won't you be mine
Everybody knows it
(Sha da da da da ooh yeah yeah) (my Miss America)
(Sha da da da da ooh hey hey) (my Miss America)
(Sha da da da da ooh yeah yeah) (my Miss America)
(Sha da da da da ooh hey hey)
Blue eyes, blond hair
Lips like a movie star
Little girl with heart of gold (you're my Miss America)
Little girl with lips untold (you're my Miss America)
You're so sweet, you're so fine

Hey, won't you be mine
Everybody knows it
(Sha da da da da ooh yeah yeah) (my Miss America)
(Sha da da da da ooh hey hey) (my Miss America)
(Sha da da da da ooh yeah yeah) (my Miss America)
(Sha da da da da ooh hey hey)
Blue eyes, blond hair
Lips like a movie star
Little girl with heart of gold (you're my Miss America)
Little girl with lips untold (you're my Miss America)
You're so sweet, you're so fine
Hey, won't you be mine
Everybody knows it
(Sha da da da da ooh yeah yeah) (my Miss America)
(Sha da da da da ooh hey hey) (my Miss America)
(Sha da da da da ooh yeah yeah) (my Miss America)
(Sha da da da da ooh hey hey)
