All That Matters

ABC

I believe that this world was made for everyone
(Everyone)
I can see all that wealth wont make a champion
(Champion)All that matters in my world
All that matters to me is you
Only you, only you
(Only you, only you)
All that matters, only you
(All that matters, only you)I dont care what people say, what people do
(Let 'em talk)
I dont share that state of mind, that point of view
(Let 'em sue)All that matters in my world
All that matters to me is you
Only you, only you
(Only you, only you)
All that matters, only you
(All that matters, only you)From the top of my head to the tip of my toes
From the sole of my shoes through every stitch in my clothes
Each beat of my heart, each molecule
All that matters to me is youAll that matters to me is you
All that matters to me is you
Believe me its true
(Youre all that matters)
Now I wish you'd believe it tooAll that matters in my life
All that matters to me is you
Only you, only you
(Only you, only you, only you)
