Bubble

The Dodos

Is this too much for you to handle
It's all a bit precarious
And if it's not that you could answer a cold embrace
The light's diffusedAlways in the course of writing a letterConflicted and caught up in the bubble
Is this anything at all
Reflections of the otherIs this too much for you to handle
It's all a bit precarious
And if it's not that you could answer a cold embrace
The light's diffusedAlways in the course of writing a letterConflicted and caught up in the bubble
Surrendered us
Suspension of the other
Is this too much for you?
