## **Closer Now**

## Keane

Believe you might stumble and come closerI like to wake alone, to lie and turn to stone Comfort me, come to me, I won't go on

I like to walk along, to keep my head screwed on

Well, I'm the best, so well done me, I won't go onBelieving, believing

I believe you might stumble and come closer nowIf I stay then I'm alone, if I go then it will mean

Waiting on my own, it's the pattern of my life

When you care and you cannot feel and you know that it's for real

So you leave me on my own to live the pattern of my lifeBelieve you might stumble and come closer nowMake time to be all this and more for me

Well, you're the best, so well done you, I won't go onBelieving, believing

I believe you might turn from your love, wait aroundIf I go here I'm alone, if I stay then it will mean

Waiting on my own, it's the pattern of my life

When you care and you cannot feel and you know that it's for real

So you leave me on my own to live the pattern of my lifeBelieve you might turn from your love, wait aroundIf I

stay then I'm alone, if I go then it will mean

Waiting on my own, it's the pattern of my life

When you care and you cannot feel and you know that it's for real

You just leave me on my own to live the pattern of my lifeIf I stay then I'm alone, if I go then it will mean

Waiting on my own, it's the pattern of my life

When you care and you cannot feel and you know that it's for real

So you just leave me on my own to live the pattern of my lifeBelieve you might stumble and come closer now
