

# Holiday

## Citramons

Yeah  
L o x nigga  
It don't stop  
It keep goin, and goin, and goin, and goin  
Motherfuckers  
[styles paniro]You heard it from the p, you oughta know it's the truth  
I get you kidnapped and raped and thrown off a roof  
You could nod your head to this like it's only a rap  
'cause when these bullets hit your ass I'm like it's only a gat  
I need a funeral to feel good, I'm hopin it's yours  
Think you delicious, heard he got shot in the cross  
Holiday styles, bitch I broke most of the laws  
Fuck with the poor, so flip to the boots, stick to the truth  
Do anything it takes just to give it a slue  
And missin a tooth, but both of 'em chipped, toaster is gripped  
You heard about the trouble, I start most of the shit  
When I squeeze ain't no controllin the wrist  
And niggas leave the room when the hear the p blowin his whis  
I'm an ignorant and negative nigga  
I sell crack, bust guns, pop shit, and say I'm better than niggas  
You think not, I'll look at your man and level a nigga  
If you think a rapper's better why don't you give me his name  
So I can run up on him, tear him up and give you his frame  
When it comes to the streets, I'm the nigga to call  
Five eight and three quarters, but I'm bigger than y'all  
If I left the gun home, i'ma give you the sword  
I'm the devil in the flesh, I can't give you the lord  
It don't make no sense for you to pray for your life  
I got my niggas in the crib, you oughta pray for your wife  
[chorus: jadakiss and styles][jadakiss:] uh huh, holiday  
  
[styles:] I gotta make it to heaven for goin through hell  
[j:] holiday  
[s:] and I don't care if I sell, y'all know what I sell  
[j:] holiday  
[s:] I use my left hand when I'm loadin the shells  
[j:] holiday  
[s:] 'cause I know it ain't right, that's why I'm blowin a l  
[styles paniro]Yo, I do it all for my niggas, even rob wit a bomb

Get shot, die in his arm, and give him my last  
It's a million dollar bail, i'ma get it in cash  
I sell crack like it's '88, I live in the past  
You know the p carry the gun, live in the mask  
Tell niggas show me the money and gimme the stash  
I like malibu and pineapple, fifty's of hash  
Hundred's of dro, wear my clothes a week in a row  
Sleep on the floor, catch me right next to the dog  
I'm holiday styles, and that's what the weaponry for  
And I probably won't blow for the fact that I'm hard  
But I'm good with ten million in the back of the car  
Either that or get life and lift the rack in the yard  
Gettin jewels from the old timers, stashin the cards  
But jail ain't part of the plans  
I keep weight on the scale 'cause I feel I get further with grams  
In my last few bars, I run through niggas like my last few cars  
And crash 'em up, the boy mighta went platinum but don't gas him up  
I get his length and his width and get his casket cut  
I don't deal with the snakes and fakes  
But I deal with the comas and wakes, I don't make mistakes  
Double r now bitch you oughta know i'ma ghost  
Blow up your face, blow up the coke, and blow up the smoke  
[chorus]
