Don't Waste Your Time

Kelly Clarkson

It's over, it's over, it's overIt seems you can't hear me
When I open my mouth you never listen
You say stay but what does that mean?
Do you think I honestly wanna be reminded forever?Don't waste your time trying to fix
What I wanna erase, what I need to forget
Don't waste your time on me, my friend
Friend, what does that even mean?I don't want your hand
You'll only pull me down
So save your breath
Don't waste your song on me, on me
Don't waste your time, it's overIt's not easy not answering
Every time I want to talk to you but I can't
If you only knew the hell that I put myself through
Replaying memories in my head of you and I every nightDon't waste your time trying to fix
What I wanna erase, what I need to forget
Don't waste your time on me my friend
Friend, what does that even meanI don't want your hand
You'll only pull me down
So save your breath
Don't waste your song on me, on me
Don't waste your timeYou're calling, you're talking
You're trying, trying to get in
But it's over, it's over, it's over, friendDon't waste your time trying to fix it
So save your breath
Don't waste your song on me, on me
Don't waste your timeYou held me, you felt me
You left me
But it's over, it's over, it's overYou touched me, you had me
But it's over, it's over, it's over, my friend
Don't waste my time
