

# Don't Waste Your Time

[Kelly Clarkson](#)

It's over, it's over, it's over  
It seems you can't hear me  
When I open my mouth you never listen  
You say stay but what does that mean?  
Do you think I honestly wanna be reminded forever?  
Don't waste your time trying to fix  
What I wanna erase, what I need to forget  
Don't waste your time on me, my friend  
Friend, what does that even mean?  
I don't want your hand  
You'll only pull me down  
So save your breath  
Don't waste your song on me, on me  
Don't waste your time, it's over  
It's not easy not answering  
Every time I want to talk to you but I can't  
If you only knew the hell that I put myself through  
Replaying memories in my head of you and I every night  
Don't waste your time trying to fix  
What I wanna erase, what I need to forget  
Don't waste your time on me my friend  
Friend, what does that even mean  
I don't want your hand  
You'll only pull me down  
So save your breath  
Don't waste your song on me, on me  
Don't waste your time  
You're calling, you're talking  
You're trying, trying to get in  
But it's over, it's over, it's over, friend  
Don't waste your time trying to fix it  
So save your breath  
Don't waste your song on me, on me  
Don't waste your time  
You held me, you felt me  
You left me  
But it's over, it's over, it's over  
You touched me, you had me  
But it's over, it's over, it's over, my friend  
Don't waste my time
