

# Nookie (Androids Vs. Las Putas Remix)

## Limp Bizkit

Learn it from the pain  
Learn it from the pain  
Learn it from the pain

I came into the world as a reject  
Look into these eyes, then you'll see the size of the flames  
That are pullin' on my past, burnin on my brain  
Everyone that burns has to learn from the pain

Hey, I think about the day  
My girlie went ran with my pay when fellas came to play  
Now she's stuck with my homies that she fucked  
And I'm just a sucker with a lump in my throat

Like a chump, like a chump  
Like a chump, like a chump  
Like a chump, like a chump  
Like a chump, like a chump  
Like a chump, like a chump  
Like a chump, like a chump  
Like a chump, like a chump  
Like a chump

Should I be feelin' bad? Should I be feelin' good?  
It's kinda sad I'm the laughing stock of the neighborhood  
And you would think that I'd be movin' on  
But I'm a sucker like I said, fucked up in the head

And maybe she just made a mistake  
And I should give her a break but my heart will ache either way  
Hey, what the hell, what you want me to say?  
I won't lie, that I can't deny

Hey baby, you're so fine  
Come on sugar, blow my mind  
I did it all for the nookie, come on  
I did it all for the nookie, come on  
ey baby, you're so fine  
Come on sugar, blow my mind  
I did it all for the nookie, come on

I did it all for the nookie, come on

Why did it take so long?

Why, did I wait so long, huh?

To figure it out, but I did it and I'm the only one

Underneath the sun who didn't get it

I can't believe that I could be deceived

By my so-called girl, but in reality she had a hidden agenda

She put my tender, heart in a blender

And still I surrender

Like a chump, like a chump

Like a chump, like a chump

Like a chump, like a chump

Like a chump, like a chump

Like a chump, like a chump

Like a chump, like a chump

Like a chump, like a chump

Like a chump

Hey baby, you're so fine

Come on sugar, blow my mind

I did it all for the nookie, come on

I did it all for the nookie, come on

Hey baby, you're so fine

Come on sugar, blow my mind

I did it all for the nookie, come on

I did it all for the nookie, come on

Learn it from the pain

Learn it from the pain

Learn it from the pain

Hey baby, you're so fine

Come on sugar, blow my mind

Learn it from the pain

Learn it from the pain

I did it all for the nookie, come on

Hey baby, you're so fine

Come on sugar, blow my mind

Learn it from the pain

Learn it from the pain

I did it all for the nookie, come on

Hey baby, you're so fine

Come on sugar, blow my mind  
Learn it from the pain  
Learn it from the pain  
I did it all for the nookie, come on  
Hey baby, you're so fine  
Come on sugar, blow my mind  
Learn it from the pain  
Learn it from the pain  
I did it all for the nookie, come on

Hey baby, you're so fine  
I did it all for the nookie  
Hey baby, you're so fine  
I did it all for the nookie

Hey baby, you're so fine  
I did it all for the nookie  
Hey baby, you're so fine  
I did it all for the nookie

Learn it from the pain  
Learn it from the pain  
Learn it from the pain
