Bouncer

42 Decibel

Hey Man I got a bone to pick
You got something to say you better say it quick
I'm gonna take that attitude and make you think

Your too damn drunk just to realise
You got a big f**king mouth and thats no surprise
Your sweaty your stinky just what would your mumma think
Spilling your drink all over my girl
I'm losing my patience its out of this world
I've had enough
This song is dedicated to low

Cause I don't need no fist
To knock you down
You ready lying fast down on the ground

Cause your a mess, a fool
And a thick ass bitch
You can take your drunken ass outside and rest
Cause you can't, Walk straight, You can't, Talk Straight, You can't, look Straight
Its a Too Late,
Its not the, First time, not the last time, that we hear you go
Blah Blah Blah Blah, Yeah

1, 2, 3, 4, 5, and 6
An a summer of bourbon up straight no mix
And a bottle of wine and tequila to
Its only six F**cking thirty and your starting to blue
Ohh man how'd you let yourself get like this
Never seen nobody ever get that pissed
Here we go, Here we go, Here we go again, low

Cause I don't need no fist
To knock you down
You ready lying fast down on the ground

Cause your a mess, a fool
And a thick ass bitch
You can take your drunken ass outside and rest
Cause you can't, Walk straight, You can't, Talk Straight, You can't, look Straight

Its a Too Late,
Its not the, First time, not the last time, that we hear you go
Blah Blah Blah Blah, Yeah

1, 2, 3, 4, 5, and 6
An a summer of bourbon up straight no mix
And a bottle of wine and tequila to
Its only six F**cking thirty and your starting to blue
Ohh man how'd you let yourself get like this
Never seen nobody ever get that pissed
Here we go, Here we go, Here we go again, low

Cause I don't need no fist
To knock you down
You ready lying fast down on the ground

Cause your a mess, a fool
And a thick ass bitch
You can take your drunken ass outside and rest
Cause you can't, Walk straight, You can't, Talk Straight, You can't, look Straight
Its a Too Late,
Its not the, First time, not the last time, that we hear you go
Blah Blah Blah Blah, Yeah
Blah Blah Blah Blah
Blah Blah Blah Blah
Blah Blah Blah Blah
Blah Blah Blah Blah, yeah
Blah Blah Blah Blah
Blah Blah Blah Blah
Blah Blah Blah Blah
Blah Blah Blah Blah
Cause I don't need no fist
To knock you down
You ready lying fast down on the ground
