Beyond

Comeback Kid

Beyond our love is the truth and it comes between us
Beyond our love is the proof and it passes through us
Until the wool has been pulled from our eyes
I can't acknowledge if I keep denying
Until the moment when we realize
Process all this, going in blindAll day long forcing me to come to terms with reality
All along forcing me to find my peace with insanity
Life's got a funny way of showing
The hardest part is knowing when to give up. When to go
Life's got a funny way of showing
Now you have to choose between your heart and what you know
Uncertain, unsettled
I was too involved, I was too close.
