After Midnight

DOROTHY

Woah set me on fire
Woah kerosine eyes
Woah looking right through me
Sellng my soul for one nightWoah doing me dirty
Woah telling me lies
Woah you are not worthy
Telling myself its the last time[Chorus]
Cause nothing good comes after midnight
Ain't no goodness come from pain, (woah, woah)
Nothing good comes after midnight, (oohh)
When you play the devils gameWoah after midnight[Verse 2]
Woah dragging me under
Woah cutting me down to the bone
Woah standing on the edge
Fighting for the rolling stone[Chorus]x2
Cause nothing good come after midnight, {nothing good, nothing good)
Ain't no goodness come from pain, {woah. woah}
Nothing good comes after midnight, {nothing good. oohh}
When you play the devils gameWoah after midnight
