

# Good Gin Blues

## Bukka White

Here come old Todd Walker  
Full in good ginGood mornin' friend  
I wants me a drink of gin  
Good mornin' friend  
I wants me a drink of gin  
'Cause they told me this mornin'  
Revenue men'll be back againOh, listen you men  
Don't you let him in  
Listen, you men  
Don't you let him in  
Well, they might catch me  
Or wait up for him againOh, come in friend  
And have a drink of gin  
Come in friend  
And have a drink of gin  
I know he deserves sin  
But I love my good old gin
