Need Somebody

Brian Dolzani

I am drowning in my blue sea
Need somebody to rescue me

I need somebody I need somebody yea
To take me from this lonely state of mind

So much anger and so much pain
Just somebody to call my name

I need somebody I need somebody yea
To take me from the darkness to the light

I was drowning in my blue sea
You were not there to rescue me
In this lifetime no right or wrong
Just somebody to hear my song

I need somebody I need somebody yea
