

Every Beat of My Heart

Bon Jovi

As a hard rain beats down in the night
It sounds like applause
Still I can't hear a sound
With the beat of my heart I can't pick up that phone anymore
And I need to confess
If I don't say, "I love you"
Everything else is a waste of my breathe Every beat of my heart I would give
Every beat of my heart just to live
To live for your love, if all that I want
Is to die in your arms
I'd give you every beat of my heart As I whisper your name
I wish you were here by my side
And the only way that I find you
Is when I close my eyes With my ring on your finger
I hope and I pray
That you know deep in your soul
With every step that you take Every beat of my heart I would give
Every beat of my heart just to live
I live for your love, if all that I want
Is to die in your arms
I'd give you every beat of my heart It's the little things that you do
That make me want you more
It's the way your hands are trembling
But what they trembling for? It's the way the smile fits on your lips
The way you hold me tight
God knows I'd give everything
To be in your arms tonight I live for your love, it's all that I want
Is to die in your arms
I'd give every beat of my heart just to live
Every beat of my heart, just to live
I live for your love, it's all that I want
To die in your arms
I'd give you every beat of my heart Give you every beat of my heart
Give you every beat of my heart
Give you every beat of my heart
