

# Dull Boy

## Dualcore

All work and no play makes me a dull boy..

All work and no play makes me a dull boy..

All work and no play makes me a dull boy..

ALL WORK AND NO PLAY MAKES ME A DULL BOY!!

Live in a secret

Live in a lie

Live in a dark hole

Beneath the black sky

Live like a martyr

And draw my last breath

Feel like an old man

With a knife in my chest

Live like a transient

Live like a thief

Hide in a closet

Grinding my teeth

Sit in a small room

With the walls closing in

Open the shutters

But everything's still dim

Payback

For all the things

I've done in my past

Payback

For everything

There are no take backs

I'm not the reason

It's not my fault

It's not my problem

I'm not the cause

I'm not your scapegoat

I'm not your god

I'm not your martyr

I'd leave you all

I'm not the reason (I'm not your scapegoat)

It's not my fault (I'm not your god)

It's not my problem (I'm not your martyr)

I'm not the cause (I'd leave you all)

All work and no play

Makes me a dull boy  
Feel like a clown  
Without my funny nose  
Walk to the window  
Break it out with my fist  
Jump from the sill  
And I'll plunge to my death

You can be selfish  
Whatever ya think  
Throw back my pills  
And take a sip of my drink  
Walk under the clouds  
Walk under the trees  
Always again  
Envy covering me  
Payback  
For all the things  
I've done in my past  
I'm not the reason  
It's not my fault  
It's not my problem  
I'm not the cause  
I'm not your scapegoat  
I'm not your god  
I'm not your martyr  
I'd leave you all

I'm not the reason (I'm not your scapegoat)

It's not my fault (I'm not your god)

It's not my problem (I'm not your martyr)

I'm not the cause (I'd leave you all)

Sunshine's gone

It's all gone

By the way

Just so you know

Always

This is how I feel

By the way

Just so you know

Always, everyday

This is how I feel

I'm not the reason

It's not my fault

It's not my problem

I'm not the cause

I'm not your scape goat (I'm not your scape goat)

I'm not your god (I'm not your god)

I'm not your martyr (I'm not your martyr)

This is how I feel (This is how I feel)

By the way

Just so you know

Always, everyday

This is how I feel...
