

# Half Jack

## The Dresden Dolls

Half underwater, I'm half my mother's daughter  
A fraction's left up to dispute  
The whole collection, half of the price they're asking  
In the halfway house of ill repute  
Half accidental, half painful instrumental  
I have a lot to think about  
You think they're joking? You have to go provoke him  
I guess it's high time you found out  
It's half biology and half corrective surgery gone wrong  
You'll notice something funny if you hang around here for too  
Long ago in some black hole before they had these pills to take it back  
I'm half Jill and half Jack  
Two halves are equal, a cross between two evils  
It's not an enviable lot  
But if you listen you'll learn to hear the difference  
Between the halves and the half knots

When I let him, when I feel the stitches getting sicker  
I try to wash him out but like they say, 'The blood is thicker'  
I see my mother in my face but only when I travel  
I run as fast as I can run but Jack comes tumbling after  
And when I'm brave enough and find a clever way to kick him out  
And I'm so high, not even you and all your love could bring me down  
On 83rd he never found the magic words to change this fact  
I'm half Jill and half Jack  
I'm halfway home now, half hoping for a showdown  
'Cause I'm not big enough to house this crowd  
It might destroy me but I'd sacrifice my body  
If it meant I'd get the Jack part out  
See Jack, run Jack, run Jack, see Jack  
See Jack, run Jack, run Jack, see Jack  
See Jack, run Jack, run Jack, see Jack  
See Jack, run Jack, run Jack, run Jack, run
