Nuisance

Dance Hall Crashers

He don't leave when it's time to go.
He don't leave at the end of the show.
He's no friend an acquaintance at best.
A scary guy in a leather vest.
Cause he's a nuisance. (oh yeah)
Nuisance (well you know)
Nuisance (one more time)
Nuisance
When he speaks it's a scary sound.
It's hard to keep him from hanging around.
Girls won't give him the time of day.
They just hope he'll go away.
Cause he's a nuisance. (oh yeah)
Nuisance (well you know)
Nuisance (one more time)
Nuisance
Why won't he go away.
Why does he always stay.
Cause he's a nuisance. (one more time)
Nuisance (well you know)
Nuisance (Oh)
Nuisance
I wish he would move to another place.
Or at least get out of my face.
It seems that there is nothing left to do.
I wish he would just get a clue.
Cause he's a nuisance. (oh yeah)
Nuisance (well you know)
Nuisance (oh)
Nuisance
Why won't he go away.
Why does he always stay.
Cause he's a nuisance. (hey)
Nuisance (well)
Nuisance (one more time)
Nuisance
