

Tin Pan Alley (aka Roughest Place in Town)

Stevie Ray Vaughan & Double Trouble

Went down to tin pan alley, see what was going on
Things was too hot down there, couldn't stay very long
Hey hey hey hey, alley's the roughest place I've ever been
All the people down there, livin' for their whiskey, wine, and ginI heard a woman scream, yeah and I peeked
through the door
Some cat was workin' on Annie with a, Lord with a two-by-four
Hey hey hey hey, alley's the roughest place I've ever been
All the people down there, livin' for their whiskey, wine, and ginI saw a cop standin', with his hand on his gun
Said "this is a raid boys, nobody run"
Hey, hey, hey, alley's the roughest place I've ever been
