

Everytime

[Ub40](#)

In a little while Verse One
I'll be on my way
Got no words to express
What I need to say

[Chorus]
Everytime I think about the first time Chorus
We said hello
You know when you know
You never let go

It's just not my style Verse Two
Something I can't do
After all this time
I'm scared of losing you

[Chorus]

Is there anything Verse Three
You could let me know
Surely you could find me
A reason not to go

[Chorus]

After everything Verse Four
We've been going through
I'm so up and down
So dizzy and blue

[Chorus]

Let me one more time Verse Five
Look into your eyes
I remember when
There were no goodbyes

[Chorus]
