

# To Binge (ft. Little Dragon)

## Gorillaz

Waiting by the mailbox, by the train  
Passin' by the hills 'til I hear the name  
I'm looking for a saw to cut these chains in half and all I want is  
Someone to rely on as  
Thunder comes a rolling down  
Someone to rely on as  
Lightning comes a staring in again I'll wait to be forgiven  
Maybe I never will  
My star has left me  
To take the bitter pill  
That shattered feeling  
Well the cause of it's a lesson learned  
Just don't know if I could roll into the sea again  
Just don't know if I could do it all again she said, it's true  
Waiting in my room and I lock the door  
I watch the colored animals across the floor  
And I'm looking from a distance  
And I'm listening to the whispers  
And oh it ain't the same, when your falling out of feeling and your  
Falling in and caught again (caught again) I'm caught again in the mystery  
You're by my side, but are you still with me?  
The answer's somewhere deep in it, I'm sorry but your feeling it  
But I just have to tell you that I love you so much these days  
Have to tell you that I love you so much these days, it's true
