

# Land Of La La

Stevie Wonder

You were brought up in a small town  
Where everyone greeted with a morning smile  
I mean the place was so free from crime  
You could leave your front door open  
And if your eyes were drawn from a lack of food  
Or your pockets were short on cash  
There was always someone close at hand  
That you could always run to  
You could have been a doctor and you could have been a nurse  
But these things weren't good enough for you  
So you decided to pack up all you own and get a one way ticket there  
To a place where all the successful people went in order for them to do  
I'm a big boy now and she's a strong girl  
Remember only the strong can survive  
Living in the land of la la  
I'm a big boy now and she's a strong girl  
Remember only the strong can survive  
Living in the land of la la  
L A, L A, la, la, la, la, L A  
Hey, hey, land of la la  
L A, L A, la, la, la, la, L A  
Hey hey, the land of la la  
You get off the bus, pick up a paper  
And look through the classified  
So that you might find a place  
Suitable for you to move into  
Then you turn around to pick up the duffle bag  
That you brought along  
But much to your surprise you find  
  
Your bag has taken off walking  
You dig in your wallet to get your last dime  
But then recall you just spent your last dime on the newspaper  
You're much too prideful but pride has no defense  
When all you've got in your possession is the wallet in your hands  
I'm a big boy now, she's a strong girl  
Remember only the strong can survive  
Living in the land of la la  
I'm a big boy now and she's a strong girl

Remember only the strong can survive  
Living in the land of la la  
I'm a big boy now and she's a strong girl  
Remember only the strong can survive  
Living in the land of la la  
L A, L A, la, la, la, la, L A  
Hey, hey, livin' in the land of la la  
L A, L A, la, la, la, la, L A  
Hey, hey, livin' in the land of la la  
L A, L A, la, la, la, la, L A  
Hey, hey, livin' in the land of la la  
Movie stars and great big cars and Perrier and fun all day  
And that's enough to make anybody go wild  
In the land of la la  
He's a big boy now, she's a strong girl  
But only the strong can survive  
Living in the land of la la
