Despise

Excuse 17

Despise
Maze, psychopathic daze
I create this waste
Back away from tangents
On the verge of drastic ways
Can't escape this place
I deny my face
Sweat gets in my eyes
Lash out at all I despise
Hands on my face over bearing
I can't get out
Hands on my face over bearing
I can't get out
Lost, ran at my own cost
Hearing noises, scoffed
Searching from the rush
Detached from such and such
Bleak, standing on my feet
Listening incomplete
I am not a dog
But I'm the one you dog
Hands on my face over bearing
I can't get out
Hands on my face over bearing
I can't get out
Never ever serrated, I won't allow it
Never ever serrated, I won't allow it
Never ever serrated, I won't allow it
Never ever serrated, despise
My state of mind gets so one-sided
My state of mind gets so one-sided
My state of mind gets so one-sided
My state of mind gets so one-sided
Despise, despise
Despise, despise
Cut me, show me
Enter I am
Willing and able
And never any danger to myself

Knowledge in my pain
Knowledge in my pain
Or was my tolerance a phase?
Empathy out of my way
I can't die, I can't die
I can't die, I can't die
Never ever serrated, I won't allow it
Never ever serrated, I won't allow it
Never ever serrated, I won't allow it
Never ever serrated, despise
My state of mind gets so one-sided
My state of mind gets so one-sided
My state of mind gets so one-sided
My state of mind gets so one-sided
My state of mind gets so one-sided
My state of mind gets so one-sided
My state of mind gets so one-sided
My state of mind gets so one-sided
Despise, despise
Despise, despise
