Green Pastures

Matt Wertz

Oh Lord you know me so well
Know my words before I speak
Could you love me right now
You know I am so in needAll things crash around me
As I try to make my way
Would you listen right now
As I fall to my knees to pray'Cause I've been confused
And you've stayed the same
The things that I'm lacking
Have caused me to say
Just look at me now, tired it's true
All that I'm wanting is to lay here with youAnd off in the distance
Mountains begin to appear
Smaller still my worries seem
When I'm resting up here'Cause I've been confused
And you've stayed the same
The things that I'm lacking
Have caused me to say
Just look at me now, tired it's true
All that I'm wanting is to lay here with you'Cause I've been confused
And you've stayed the same
The things that I'm lacking
Have caused me to say
Just look at me now, as I take the lead
'Cause all that I want is you to lay here with me
In green patures
