## Tricky

Boy take man F clune
Ya fool boy think say more
A comearound yo!
Let's take the downtown
Me have me gone in a me yard
A me guard so if a boy want
Me seen of a the scene
And come back without a clue
Take me feel afraid
Me pop off and ease off
To me want the marathon crewWhen love is lost
All I hear are gunshots over me
When love is drawn
It soaks and floats all over me
All over me
Over me
Over meWhen you think a one or two
Do and ya
They ready to kill them couldn't cross the border
Shot a lick them right middle left to center
Like sunshine they shot them over and over
The make sure them dead their body in a corner
Blood run down like some stagnant waterWhen lonely
It gives and gives all over me
When love is strong
It goes on and on
All over me
Over me
Over meWill ever since then they get me blood warm
I never come so I'd wish I wasn't born
Another punk guys ring the alarm
Now what's left is C-P-R but he already goneWhen love is lost
All I hear are gunshots over me
When love is drawn
It soaks and floats all over me
Over me
Over meWhen lonely
It gives and gives all over me
When love's strong

It goes on and on
All over me
Over me
Over me
