

Lost In Tv

Suede

I see you in my life, I see you on the screen
An ascending socialite, orbiting the scene
And everybody wants you now
Everybody wants to be a part of your crowd, ooh
Baby it seems
Sometimes you're lost in TV
Lost in a dream
(Instant sunshine)
Baby
We wandered through our minds with images and scenes
And with animated lives, rehearsing for our dreams
And everybody wants it now
Everybody wants to be a face in the crowd, ooh
Baby it seems

Sometimes we're lost in TV
Trapped in a screen
Lost in a scene
Lost in TV
(Instant sunshine)
Baby
Everybody wants it now
(Sunshine)
Everybody wants to be a face in the crowd, ooh
Baby it seems sometimes we're lost in TV
Lost in a dream
(Instant sunshine)
Baby
