

# Devil May Care

**Jamie Cullum**

No cares for me I'm happy as I can be  
I've learned to love and to live, devil may care  
No cares and woes whatever comes later goes  
That's how I'll take and I'll give, devil may care When the day is through, I suffer no regrets  
I know that he who frets, loses the night  
For only a fool, thinks he can hold back the dawn  
He who is wise never tries to revise what's past and gone Live love today and come tomorrow what may  
Don't even stop for a sigh, it doesn't help if you cry  
That's how I'll live and I'll die, devil may care When the day is through, I suffer no regrets  
I know that he who frets, loses the night  
For only a fool, thinks he can hold back the dawn  
He who is wise never tries to revise what's past and gone
