

# There's A Little Bit Of Everything In Texas

## Ernest Tubb

There's a little bit of everything in Texas just look around and you will see  
There's a little bit of everything in Texas and a whole lot of Texas in me  
    There are forty seven states around there  
    And each of them have treasures of their own  
    And everything they boast of I sure found it  
    But we've got them all right here at home  
Now if you love old sunny California or perhaps the hills of Tennessee  
No matter what you love just come to Texas and I'll bet my boots you will agree  
There's a little bit of everything in Texas and really I'm not bragging you see  
There's a little bit of everything in Texas and a whole lot of Texas in me  
    [ fiddle ]  
Now if you love old sunny California...
