We Are Young

Glee Cast

Give me a second I,
I need to get my story straight
My friends are in the bathroom getting higher than the Empire State
My lover heâ€™s waiting for me just across the bar
My seatâ€™s been taken by some sunglasses asking bout a scar, and

I know I gave it to you months ago
I know youâ€™re trying to forget
But between the drinks and subtle things
The holes in my apologies, you know
Iâ€™m trying hard to take it back
So if by the time the bar closes
And you feel like falling down
Iâ€™ll carry you home

Tonight, we are young
So letâ€™s set the world on fire
We can burn brighter than the sun

Tonight, we are young
So letâ€™s set the world on fire
We can burn brighter than the sun

Now I know that I'm not all that you got, I guess that I
I just thought maybe we could find new ways to fall apart
But our friends are back
So let's raise a cup
'Cause I found someone to carry me home

Tonight, we are young
So letâ€™s set the world on fire
We can burn brighter than the sun

Tonight, we are young (we are young)
So letâ€™s set the world on fire (fire)
We can burn brighter than the sun (Whoa)

Carry me home tonight (Na na na na na na)
Just carry me home tonight (Na na na na na na)
Carry me home tonight (Na na na na na na)

Just carry me home tonight (Na na na na na na)

The world is on my side
I have no reason to run
So will someone come and carry me home tonight

The angels never arrived
But I can hear the choir
So will someone come and carry me home

Tonight, we are young
So letâ€™s set the world on fire
We can burn brighter than the sun (We are young, yeah)

Tonight, we are young (we are young)
So letâ€™s set the world on fire (fire)
We can burn brighter than the sun

So if by the time the bar closes
And you feel like falling down
Iâ€™ll carry you home tonight
