You're My World

Cilla Black

You're my world, you're every breath I take
You're my world, every move I make
Other eyes see the stars up in the skies
But for me they shine within your eyes

As the trees reach for the sun above
So my arms reach out to you for love
With your hand resting in mine
I feel a power so divine

You're my world, you are my night and day
You're my world, you're every prayer I pray
If our love ceases to be
Then it's the end of my world for me

With your hand resting in mine
I feel a power so divine
You're my world, you are my night and day
You're my world, you're every prayer I pray

If our love ceases to be
Then it's the end of my world for me
