

# If You Go Away

Jane McDonald

If you go away On this summer day  
Then you might as well Take the sun away  
All the birds that flew In the summer sky  
When our love was new And our hearts were high  
When the day was young And the night was long  
And the moon stood still For the night bird's song

If you go away

If you go away

If you go away

But if you stay I'll make you a day  
Like no day has been Or will be again  
We'll sail the sun We'll ride on the rain  
We'll talk to the trees We'll worship the wind  
And if you go I'll understand  
Leave me just enough love To hold in my hand

If you go away

If you go away

If you go away

If you go away

As I'm the real must There'll be nothing left  
In the world to trust Just an empty room  
Full of empty space Like the empty look  
I see on your face I've been the shadow  
Of your shadow I fell you might have kept me By your side

If you go away

If you go away

If you go away
