No Conditions

Bishop Allen

No conditions
No exceptions
No time to pause and check your reflection
Don't know if you'll find a way without a compass or chartNo additions
No retractions
No way to appease all the warring factions
No sword to fall upon
Nothing will not fall apartNo, nothing has ever seemed clear
And I know it hasn't been our best year
Maybe I wasn't listening, but I never did hear any call
No, we never had minds to forget
We haven't hit bottom just yet
But then maybe
There isn't a bottom at allNo one is guiding you now, telling you where to go
The sky and the plow has erased all your tracks in the snow
Nothing and nowhere and no one is not a pretender
But remember
No surrenderNo breaking the news
No changing the weather
No use trying to keep it together
No one is telling you you shouldn't feel lonely tonightNo answer for the doctor
Not not the one that you were after
Every test could be wrong, then again
Every test could be rightNo way to be certain
There is no one behind the curtain
And clicking your heels, no matter how good it feels
It won't bring you back homeNo one is guiding you now, telling you where to go
The sky and the plow has erased all your tracks in the snow
Nothing and nowhere and no one is not a pretender
But remember
No surrenderNo surrender
No surrender
No surrender
No surrender
No surrender
No surrender
