

Silence from Afar (Session) [Remaster]

After Forever

When the fate leaves you behind
And drags me off to an unknown destination
Shall my tears shape a sea
On which your boat has to reach the area
When the storm is most violent
And the horizon seems to be far away
You will find strength to go on
And conquer the misery that wants to
Bring you down, down, down, down
When silence from afar is close at hand
Our harmony becomes as elusive as time
Viribus exhaustus sentio meum finem
Meam amicum viduam relinquens
Viribus exhaustus sentio meum finem
Meam amicum viduam relinquens
Oh, oh, oh
Viribus exhaustus sentio meum finem
Meam amicum viduam relinquens
When silence from afar is close at hand
Our harmony becomes as elusive as time
